

SANDPIPERS DECEMBER 2022 NEWSLETTER

CARING FOR CANCER

I had the pleasure to attend the last two sessions of the Caring for Cancer Project. The beautifully creative women who work on this project deserve our respect and appreciation. They generously donate their time and talent to produce lap quilts, head coverings and caps for people going through chemotherapy treatment.

They advise they have a few quilts available . If you know someone who would appreciate and be comforted by having a lap quilt, please contact Joan Bowman @ 519-422-2548. Head coverings and caps are also available.

BID EUCHRE

Bid Euchre will shut down for the Christmas period. Games will resume Monday, January 2, 2023 @ 7pm.

UPDATED SANDPIPER WEBSITE

With funds received from a provincial grant, the Sauble Sandpiper Club with the assistance of Gem Webb Internet Marketing & Web Design have been working on updating the club website.

The new website has been launched and is available for you to visit .

EXECUTIVE NOTES

Our club is as strong as our membership. Your executive will be conducting a recruitment initiative in the upcoming months to increase membership and to assist in increasing activity attendance . You can help us with this initiative by speaking to family and friends and encouraging them to join our club and you can also help by coming out and enjoying the activities we are currently offering.

We continue to operate without a secretary. Please consider joining the executive by filling this vacancy .

To those members who will be leaving for sunny destinations, we hope you have a great time away and we look forward to your return.
