SAUBLE SANDPIPERS OCTOBER 2026 NEWSLETTER

October, the month when the trees all remind us how beautiful it is to let things go.

We can officially say Summer has left us. Now, let's look forward to the beauty of Autumn and embrace the changes this season brings.

BID EUCHRE

We have played our last Monday night Bid Euchre games.
Bid Euchre makes the change to "winter hours" on October 6th... games will now be played on Tuesday afternoon at 1:00 pm. We recently had two new players join us and were provided a "dedicated learners" table with two experienced players. Bid Euchre is a great game. If you are interested in playing , join us at your convenience. We will happily, provide players schooled in the fine art of the game to provide instruction.

LAWN BOWLING

Lawn Bowling has closed for the season. We very much appreciate the players who supported the club this year. We have decided we will run the club again next season and sincerely hope more of you will give this game a try and join us on the green.

SHUFFLEBOARD

Shuffleboard is a very well attended activity and we know the players are anxious to get back on the floor.
Join us for the season opener on Wednesday, October 14th at 1:00 pm.

SOUP'S ON

Our Soup Lunch project continues to grow , with more and more people joining us every month.

If you haven't come out yet, what are you waiting for ?????
